Commitment - Acknowledgment

The mission of the St. Bernard School Athletic Association (SBSAA) is to provide quality sports programs for all students who wish to participate, regardless of experience, ability, or knowledge of the game, subject to funding and personnel availability. Objectives focus on providing students with a positive Christian athletic experience through instruction, development, practice, and game participation, concurrent with providing a reasonably competitive representation of the School at all relevant program levels. It is the express intent of the Sports Programs Policy (including Coaches' & Parents' Codes of Conduct) to provide direction to the various members of the SBSAA - program coordinators, coaches, parents, and student-athletes. Parents and coaches are encouraged to review this Policy and share it with their children in order to enhance the experience of all participants in SBSAA sports programs.

I/We have reviewed the requirements of the Sports Programs Policy (including Parents' & Coaches' Codes of Conduct), and hereby agree to abide by such standards, policies and procedures as are therein described. Further, I/we acknowledge that I/we may be subject to penalties if I/we violate any provisions of the same.
